Conditions and Authorization for Medical Treatment – Outpatient

1. **CONSENT FOR MEDICAL PROCEDURES AND TREATMENT:** Permission is hereby granted to Aspire Hospital Outpatient Services for such medical procedures, including the taking of photographs and/or videos for treatment only, as may be deemed necessary by my physician and/or his or her designee. I further consent to treatment by authorized employees or agents who are assigned to my care. I am aware that the practice of medicine is not an exact science and I acknowledge that no guarantees have been made to me as the results of treatments, examinations, emergency services, or hospital care.
2. **CONSENT FOR BLOOD BORNE INFECTIOUS DISEASE TESTING:** I give my consent to have testing for blood-borne infectious disease, including but not limited to Hepatitis, Acquired Immune Deficiency Syndrome (AIDS), and Human Immunodeficiency Virus (HIV). This test is required in the following situation(s): (1) if a health care worker is accidentally exposed to a patient's blood or bodily fluids, such as through a needle stick, or (2) if a medical or surgical procedure is to be performed which could expose health care workers to the patient's blood or bodily fluids. This disclosure is to inform you that you will be tested if any of these situations occur during your visit.
3. **NOTICE OF PRIVACY PRACTICES:** I acknowledge that I have been given the opportunity to review the Hospital's Notice of Privacy Practices. I understand that if I have question or complaint, I may contact the hospital's HIPAA Privacy Officer.
4. **PATIENT RIGHTS AND RESPONSIBILITIES:** I acknowledge that I have received a copy of the Patient Rights and Responsibilities and have had an opportunity to ask questions.
5. **ASSIGNMENT OF BENEFITS:** This assignment of benefits allows the Hospital and/or hospital based physicians to be paid directly by my health insurance carrier or other health benefit plan for the services the Hospital and or hospital based physicians proved to me, my minor child, or other person entitled to health care benefits for this visit. In consideration of the services to be rendered, the undersigned (as parent, guardian, spouse, guarantor, and agent or as the patient) individually promises to pay the patient's account at the rates that are usual, customary, and reasonable for services rendered. Thus the entire account balance including those charges filed with the insurance company, remains the patient's responsibility; I understand that there are providers that will bill me separately and that I am financially responsible to each provider for allowed charges not covered by this assignment.
6. **MEDICARE PATIENT CERTIFICATION:** I certify that the information given by me in applying for payment under Title XVIII and Title XIX of the Social Security Act is correct. I authorize any holder of medical or other information about me to release to the Social Security Administration or its intermediaries or carriers any information needed for this or a related Medicare claim. I permit a copy of the authorization to be used in place of the original and request payment of authorized benefits to be made on my behalf.
7. **RELEASE FROM RESPONSIBILITY FOR VALUABLES:** It is understood and agreed that the hospital does not maintain a safe for the safekeeping of money and valuables and that the hospital shall not be liable for loss or damage to any money, personal valuables, or personal property.
8. **PHYSICIAN OWNED HOSPITAL:** Aspire Hospital, LLC believes that you are entitled to make informed decisions regarding your medical care. To assist you in making those decisions, the Hospital hereby notifies you that it meets the federal definition of physician owned hospital pursuant to 42 C.F.R 489.3. As per the code of Federal Regulations you are hereby informed that a list of the Hospital's physician owners and investors is available to you upon request from the Admitting Office.

I hereby certify and state that I have read, and that I fully completely understand the above Conditions of Admission and Authorization for Medical Treatment, and that I have signed Conditions of Admission and Authorization for Medical Treatment knowingly, freely, and voluntarily.
